

1. Coming in November
2. Need to check age of your Mac or MacBook
3. It does not apply to iPads
4. Your Mac must not be older than 2014 to except Big Sur
5. Find out the age if you don't know it already
6. Click the apple logo top left hand corner
7. Click about this Mac It will come up with this
8. You need at least 8gb free space

If your Mac is older you will still be able to carry on using Catalina

Which Macs will get Big Sur?

The list of Mac models that are compatible with macOS Big Sur are:

- **MacBook Air** (2013 and newer)
- **MacBook Pro** (late 2013 and newer)
- **MacBook** (2015 and newer)
- **iMac** (2014 and newer)
- **iMac Pro** (2017 and newer)
- **Mac mini** (2014 and newer)
- **Mac Pro** (2013 and newer)
