

THE UNIVERSITY OF THE THIRD AGE

Ringmer U3A Computer Group

Newsletter for July and August 2018

Where do we go from here? We have now been in existence for 6 months. The workshops seem popular, but we must not hold them too frequently. Do you know a good speaker that might be of interest? Could you give us a talk? We must all be prepared to contribute if this group is to continue to succeed. Only 15 (35%) members came in June!! We need some 25 members each month to continue.

Meetings

Scout Hall at 2 pm on the first Thursday of each month. The cost is £1 each time you attend.

Admin Roster

5 July

Hilary Smith and
2 volunteers please.

2 August

Elizabeth Clifford and
2 volunteers please.

Please put your name on the list or let Sylvia know.

Open Day

Tuesday 14 August

2 to 4 pm

Village Hall

Thursday 5 July 2018

Technology in the Home

Mark Packham, a smart home specialist and technology integrator, was unable to join us in June. This month he will give an illustrated talk on how technology in our homes has changed in recent years. He will show how we can take advantage of these changes.

Thursday 2 August 2018

Social Meeting

This month we will hold a social meeting with light refreshments. We also hope to have a light-hearted quiz where small teams will compete. This will give an opportunity to get to know other members and perhaps discuss any issues.

Do you wish to stay with this group?

If so you need to indicate so on the attendance sheet. This is in addition to completing the enrolment process

Volunteers to talk for future meetings

Could you give a short (10 to 15 min) demonstration/presentation on something that might be useful to other members? Please contact Ian if you can.

A word of caution: Advice offered during our meetings is given in good faith. It is your responsibility to decide whether to act on that advice or whether to allow another member to operate your device. U3A would not be responsible for any difficulties that might arise from such actions. It would be a personal matter between individuals. That said Ringmer U3A will always do everything it can to assist its members.

Cannot make a meeting? Please let Ian know
