

THE UNIVERSITY OF THE THIRD AGE

# Ringmer U3A Computer Group

## Newsletter for May and June 2018

**Stay Alert.** I do hope that our talk and pdf leaflet on staying safe on-line has helped. There is not a day goes by without some warning of a new threat. Do take a few minutes to improve your security.

We have grown in size considerably since our formation and we now have 42 members. Give us your ideas for the programme. Details for May and June are given below and we will probably have another hands-on workshop in July. Should we have a social meeting in August? Please let us know.

### Meetings

Scout Hall at 2 pm  
on the first Thursday  
of each month. The  
cost is £1 each time  
you attend.

### Admin Roster

**3 May**

Annette W, Ann-May  
B & Keith M

**Please put your  
name on the list or  
let Sylvia know.**

### AGM

Wednesday

16 May at 2.30 pm

Village Hall

### Thursday 3 May 2018

2.00 pm Assemble and book-in. Attendance fee £1.  
2.10 pm **Group Business.**  
2.20 pm **Presentation on by John S** on Google  
Photo, Google Earth, Google Maps and sharing  
your holiday trip and photos with the family.  
3.30 pm Refreshments and fellowship.  
4.00 pm Meeting concludes.

### Thursday 7 June 2018

### Technology in the Home

Mark Packham, a smart home specialist and technology integrator, will give an illustrated talk on how technology in our homes has changed in recent years. He will show how we can take advantage of these changes.

### Volunteers to talk for future meetings

Could you give a short (10 to 15 min)  
demonstration/presentation on something that might be  
useful to other members? Please contact Ian if you can.

**A word of caution:** Advice offered during our meetings is given in good faith. It is your responsibility to decide whether to act on that advice or whether to allow another member to operate your device. U3A would not be responsible for any difficulties that might arise from such actions. It would be a personal matter between individuals. That said Ringmer U3A will always do everything it can to assist its members.

**Cannot make a meeting? Please let Ian know.**
