MAGAZINES

If you have Family
History magazines
you have finished
with, we would,
welcome them

THIS MONTH

We welcome Sue Burgess who is coming
for a taster session.

John Howes and Tony Clark will be
feeding back on the Family History
Exhibition they attended recently,
and we will discuss these and other
learning opportunities such as on-line
courses, webinars, specialist research
groups and family history societies.

As usual members contributions
about good or bad experiences are
invited.

NEXT MONTH

As usual we will have a joint social
meeting with the Photography and
the Computing and Home Tech
Groups. It will be at **2.00pm on
FRIDAY 27th DECEMBER in the
Symons Room** at the Village Hall.
Expect the usual quizzes, silliness,
bonhomie and dried up turkey
sandwiches.
