MAGAZINES

If you have Family
History magazines you
have finished with, we
would, welcome them
please.

THIS MONTH

We are having an afternoon devoted to
“Discovering Family Misfortunes”

We propose to cover coroners’ inquests and
reports, accidents, bankruptcies, strange
deaths and anything else out of the ordinary.
We have three members making
presentations but could do with more. Please
contact Bob.

NEXT MONTH

We will be looking at
“Writing Your Life Story” before the
tea break and afterwards
“My Story” with members stories
embracing a major national or
international event.

LAST MONTH

Many thanks to Sue Hall, Hilary Small
And John Saunders for helping us to
decide how best to keep all our
research papers and to store our
family trees.
