THIS MONTH

We will return to looking at writing our life stories which we explored at the meeting with Margaret and Jenny from Crowborough in March. At the end of the meeting, and considering what we discussed, Bob challenged members to write the first opening paragraph of their life stories and to share their efforts at this meeting. Hopefully most of you have done this otherwise we will be having a short meeting! Hopefully also a discussion will ensue.

NEXT MONTH

We will discuss the future management of the group and a programme for next year. The planning group have met to discuss these matters, and their proposals will be attached to the July newsletter. We will also hear John Saunders 'VJ presentation, invite members stories on the theme 'It was quite a surprise' and take names for a visit to Newhaven Museum on Tuesday 26th August followed by tea at Paradise Park. The Museum has recently re-opened following a major refurbishment and a trustee or two will welcome us. There will be a £3 entry charge and we will share cars.
