**Desk:**

**Refreshments:**

Three volunteers will be needed this month please. A form for the rest of the year will be circulated at the meeting. It is expected that every member will undertake a duty.

**Magazines.**

We are always pleased to receive any magazines you have finished with.

**PLEASE BRING  
YOUR NAME BADGE**

We have three new members, and it will help them to settle in if existing members wear their badges. **THANK YOU.** Badges will be available at the desk for our new members.

**WELCOME TO THE NEW U3A YEAR.**

The 46 members who decided to continue with our group will be joined by three new members, namely Jeanette Clifton, Graham Stapley and Mike Stepney. We hope they will enjoy the voyage of discovery which is called family history. The planning group of four members met two weeks ago to arrange a programme for the year, and this will be circulated with October's newsletter. As we enter our 17<sup>th</sup> year it was a difficult job, but we hope you will enjoy the mix of tried and tested and the new sessions we have put together.

As well as exploring new areas, such as DNA and A1, we mustn't forget the building blocks of our hobby.

**THIS MONTH**

As always for the first meeting we will set the scene for the year, share a draft programme, introduce the planning group, talk about getting started (or restarted) with our research and look at some challenges for the year. We can have a Q and A session if required.

**LAST MONTH**

26 members enjoyed a visit to the newly refurbished Newhaven Museum followed by tea at Paradise Park Garden Centre.
