MAGAZINES

We are always pleased to receive any magazines that you have finished with please.

THIS MONTH

You are invited to bring your favourite photograph (one only please) to the meeting and tell us the story behind it and why it is an important part of your family history. Please bring your photograph on an USB if possible although 'chalk and talk' will be just as welcome.

Photographs are a key element of building up our family histories and the biographies of our ancestors. They add another important dimension.

LAST MONTH

We looked at the second chapter in writing our own life stories by concentrating on our school years. Thank you to the many contributors who gave us another rich and varied afternoon. I never cease to be amazed at the wonderful experiences shared with us. It was interesting that actual learning was hardly mentioned!

NEXT MONTH

We will have our second 'How may we help you?' session of the year. The first session was good, but we will be making a few changes to improve the afternoon.
