One more volunteer Please.

PLEASE WEAR YOUR NAME BADGE.

As we are such a large group it would be helpful if all members could wear their name badge please. Let us know if you don't have one.

MAGAZINES

We are always pleased to receive any magazines that you have finished with please.

LAST MONTH

We looked at the history of the group, its purpose, the scope of family history research and considered the future. Members asked each other seven questions, which seemed a very popular session if the hub-bub was anything to go by. The questions were circulated to members after the meeting who were asked to send the responses to question 7 to me to help inform the planning Group in compiling our programme for the coming year. To date I have only had four responses. More required please and keep question 1-6 for later in the year.

THIS MONTH

We will look at the building blocks of family history and consider a planned approach to our research.
Ian Loughborough has recently visited TNA and will share his experience with us.

PLANNING GROUP

Will meet on 21st October. Jenny Sheppard has kindly joined us but more volunteers would be welcome.
